BOOK SYNOPSIS

Following on from the success of Primary FRCA in a Box comes Final FRCA in a Box, a collection of over 200 revision flashcards on almost all the topics needed to pass the final part of the Royal College of Anaesthetists examination. All key areas of the final syllabus are covered, written, and edited by top anaesthetists in each specialist field of anaesthetics. The cards are in easy-to-learn note format and include lots of vital diagrams to aid understanding and that are easy to reproduce in the final examination. Topics are cross-referenced to appropriate topics in the Primary exam (and Primary FRCA in a Box flashcards). Final FRCA in a Box is an essential tool for effective revision and preparation for the Final FRCA examination. These flashcards are recommended for all qualified and trainee anaesthetists and their trainers, and related health professionals.
