BOOK SYNOPSIS

USA Today Bestselling Romantic Comedy Series There are three things you need to know about Elizabeth Finney: 1) She suffers from severe sarcastic syndrome, especially when shes unnerved, 2) No one unnerves her like Nico Manganiello, and 3) She knows how to knit. Elizabeth Finney is almost always right about everything: the musical merits of boy bands are undervalued by society, "benefits" with human Ken dolls are better without friendship, and the sun has set on her once-in-a-lifetime chance for true love. But when Elizabeths plans for benefits without friendship are disarmed by the irritatingly charismatic and chauvinistic Nico Manganiello- her former nemesis- she finds herself struggling to maintain the electric fence around her heart while avoiding electrocution or, worse, falling in love. Friends Without Benefits can be read as a standalone, is a full length 120k word novel, and is book #2 in the Knitting in the City Series.
