BOOK SYNOPSIS

This eBook includes the full text of the book plus an additional chapter on Europe from Dr. Jeremiah's book *What in the World Is Going On?* that is not found in the print book! The world seems more fractured each day. People are asking, "Is this the End?" Never have the headlines been this jarring, the cultural changes this rapid, or the moral decay this pronounced. What on earth is happening? After each new occurrence, the most oft-heard questions are, "Will the world ever be the same again?" and "Where is God in all of this?" Over the last few decades, Dr. David Jeremiah has become one of the world's most sought-after Christian leaders on topics that deal with biblical application and modern culture. And few would dispute that the pace at which things are currently changing is unprecedented. The time has come to accept this new normal, Jeremiah says, and understand how God's hand is still at work on His eternal plan for mankind. No one can afford to ignore these warnings, but all can better understand the greater story and the role we each play in this changing world. From prophetic clues in Scripture to an understanding of the power of Christ in all believers, this book directs us on a clear path forward. The book is split into two sections, each covering items surrounding two important questions. *Is This the End of America?* and *Is This the End of the World?* Includes detailed chapters on: Terrorism ISIS and Radicalized Islam The New Russia The Bleeding of Americas Borders The "Anything Goes" Society Polarization and Divisiveness The Coming of Christ and many more
