BOOK SYNOPSIS

"At Mometrix, we think differently about tests. We believe you can perform better on your exam by implementing a few critical strategies and focusing your study time on what's most important. With so many demands on your time, you probably don't have months to spend preparing for an exam that holds the key to your future. Our team of testing experts devote hours upon hours to painstakingly review piles of content and boil it all down to the critical concepts that are most likely to be on your exam. We do a lot of work cutting through the fluff to give what you need the most to perform well on the exam." -- Cover, p. [4].
