## **BOOK SYNOPSIS**

Military duty called them away to war zones, but after tours overseas, the group of friends found their way back home as men, seeking the peaceful little seaside town. Now, the band of brothers, together once more, work to provide a place for less fortunate veterans to call home. Mitch Evans left his career as an FBI agent after his father retired as the Baytown Police Chief. Returning home to take up the mantle, he was glad to be back with his family and the Baytown boys. The bonus? Reuniting with his childhood friend and teenage crush. Victoria Bradford came back to Baytown to run the Sea Glass Inn after her grandmother's death. A simpler life was what she yearned for. When the new Police Chief showed up on her doorstep, her heart skipped a beat as old memories came rushing back. When one of Tori's guests died from poisoning, Mitch was determined to stay objective while solving the murder. Then the evidence pointed to Tori as being the intended victim and another attempt was made on her life. Mitch, desperate to find the killer before he strikes at Tori again, calls upon the Baytown Boys to assist, as he vows to protect her.
