## BOOK SYNOPSIS

Kris Longknife can kick, shoot, and punch her way out of any dangerous situation, \* and her latest adventure in the "New York Times" bestselling series is as perilous as they come... Despite her role as a fleet Admiral and protector of a planetary system, Kris is still beholden to her great grandfather King Raymond's commands. She has been personally selected for a mission that, should she succeed, will save millions of lives. The Peterwald Empire is in the midst of civil war. On one side is the tyrannical Empress, on the other is the last person Kris ever wants to see again Grand Duchess Vicky Peterwald. Due to their shared history, the Emperor believes Kris can mediate between the factions and bring about peace. But before Kris even begins her mission, she survives multiple assassination attempts on her family home world. Someone doesn't want her interfering in the Empire's affairs.
