BOOK SYNOPSIS

Designed around the real-world legal applications of reading comprehension, Manhattan Prep's LSAT Reading Comprehension is an essential tool for a surprisingly tricky part of the LSAT. Using Manhattan Prep's expert strategies, this book will train you to approach the LSAT as a law student would approach a legal text—actively and with a purpose. LSAT Reading Comprehension teaches you how to recognize the core argument and use it as a framework to organize the entire passage, improving the speed and clarity with which you read. To further improve your reading, LSAT Reading Comprehension walks you through the annotation process, discussing where and how to take notes in order to maximize your comprehension efficiently. It also looks at the types of questions on the LSAT and arms you with the skills you need to spot issues and identify correct answers. Each chapter in LSAT Reading Comprehension features drills and full practice sets—made up of real LSAT questions—to help you absorb and apply what you've learned, while numerous, in-depth solutions walk you through the process of selecting the right answer and help you to achieve mastery. Additional practice and resources are available online through the Manhattan Prep website. Used by itself or with other Manhattan Prep materials, LSAT Reading Comprehension will push you to your top score.
