BOOK SYNOPSIS

Legal Essentials in Health Care Administration is a distillation of the most important topics from the widely popular Legal Aspects of Health Care Administration by the same author. Using reader-friendly, jargon-free language, this text unravels the complexities of the legal system in health care and provides the reader with a strong foundation in health law. Readers will gain a solid understanding of what steps providers of care, legislative bodies, patients, patients families, and patient advocates can take to help prevent the wide variety of harmful events that are involved in health care.
