BOOK SYNOPSIS

Fourteen physicians were invited to reflect and give a presentation on the lessons they have learned while leading change in healthcare ... and how they learned them. We invited some who saw themselves as educators, some who thought of themselves as researchers and some who saw their work in the "operations" of healthcare. They all were individuals with local, and in many cases regional and national, recognition for their efforts to lead change in healthcare

LESSONS I LEARNED WHILE GIVING LESSONS - Are you looking for Ebook Lessons I Learned While Giving Lessons? You will be glad to know that right now Lessons I Learned While Giving Lessons is available on our online library.
