## BOOK SYNOPSIS

Authentic Cuban recipes offer a mixture of Spanish, Indian, African, Chinese, and Portuguese cuisine, from appetizers like Green Plantain Chips, to such entrees as Roast Pork Creole, to tropical rum-based drinks and desserts. Filled with reminiscences and evocative halftone photos of Randelmans childhood in pre-Castro Cuba, this book presents more than 200 traditional recipes for Cuban dishes, a cuisine that lusciously combines Spanish, Indian, African, Chinese, and Portuguese influences.
