BOOK SYNOPSIS

Updated in its 12th edition, Public Administration and Public Affairs shows readers how to govern efficiently, effectively, and responsibly in an age of political corruption and crises in public finance. With a continuing and corroding crisis occurring, as well as greater governance by nonprofit organizations and private contractors, it is vital that readers are given the skills and tools to lead in such an environment. Using easy-to-understand metaphors and an accessible writing style, Public Administration and Public Affairs shows its readers how to govern better, preparing them for a career in public administration.
