## **BOOK SYNOPSIS**

Warm up a luxurious massage oil, arouse the senses with seductive fragrances, and communicate desire with the intimate, erotic act of massage. Full-color photos show how to work each area of the body, from the top of the head to the tips of the toes, and turn any massage into a beautifully sensual experience. See how to set the scene with atmospheric lighting and sound; master the strokes that will leave someone sighing with ecstasy; and use different textures and sensations to enhance the massage, including fabrics, feathers, and ice cubes. Separate sections explain what's just right for pampering a man or a woman, and a sensual oils aromatherapy chart presents a variety of fragrant options to choose from.
