BOOK SYNOPSIS

"This Memo to the CEO explains why the fusion of high performance with high integrity is the foundation of the contemporary corporation, and why it is necessary - not only to avoid the catastrophic impact of integrity lapses, but to sustain companies in today's ruthlessly competitive environment." "This Memo reframes crucial debates on corporate governance, pay for CEO performance, and the real sources of business ethics. It provides senior executives with a much-needed blueprint for fusing the twin goals of capitalism - high performance with high integrity - in the high-speed, high-pressure twenty-first-century global economy." - Jacket.
